Comprehension:

Read the passage carefully and choose the best answer to each question out of the four alternatives

Diana, Princess of Wales, became famous when she decided to marry Prince Charles. She became the most photographed person in the world. Everywhere she went, there were photographers taking pictures of her and people were very interested in her clothes, where she went on holiday and who she was with. They were also interested in the problems between her and her husband. When they divorced she remained very popular. In addition to her image as a 'star', Princess Diana used her influence to attract attention to some charities. She was very sympathetic to all people who were ill and unhappy and dedicated time to helping them and drawing public attention to their problems. She used to visit homeless people regularly and did a lot of work for the National AIDS Trust; she visited people suffering from AIDS.

Q.3 The question below consist of a set of labelled (P, Q, R, S) sentences. Out of four options given, select the most logical order of the sentences which form a paragraph.

By the early part of 1939 the German dictator Adolf Hitler had become determined to invade and occupy Poland.

P. In a secret protocol of this pact, the Germans and the Soviets agreed that Poland should be divided between them, with the western third of the country going to Germany and the eastern two-thirds being taken over by the U.S.S.R.

Q. Hitler intended to invade Poland anyway, but first he had to neutralize the possibility that the Soviet Union would resist the invasion of its western neighbour.

R. Poland, for its part, had guarantees of French and British military support should it be attacked by Germany.

S. Secret negotiations led on August 23-24 to the signing of the German-Soviet Nonaggression Pact in Moscow.

Having achieved this cynical agreement, the other provisions of which stupefied Europe even without divulgence of the secret protocol, Hitler thought that Germany could attack Poland with no danger of Soviet or British intervention and gave orders for the invasion to start on August 26.

Read the passage carefully and choose the best answer to each question out of the four alternatives

When schools opened in Texas this fall, some of the favourites were missing from the cafeteria menus. Sodas and candy bars had been banned for grade schoolers, chips and cookies were mini-size and the all time favourite, the French fry, was given just one more year before it too would be banned. Wave of protest could be heard everywhere; and students weren't the only one. All the staff, along with the principal complained about being forced to act as "nutrition police". Parents and kids exchanged schoolyard rumours about Twinkies being confiscated from lunch boxes. Nearly everyone, addicted to the revenues that vending machines bring in, yelled that there wouldn't be enough money for activities like band camp and choir trips. Angry e-mails poured into the mailbox of Susan Combs, who had imposed the new rules.

नीचे दिए गये गद्यांश को ध्यानपूर्वक पढ़ें और चार विकल्पों में से प्रत्येक प्रश्न का सर्वोत्तम उत्तर चुनें।

विद्वानों का यह कथन बहुत ठीक है कि विनम्रता के बिना स्वतंत्रता का कोई अर्थ नहीं। इस बात को सब लोग मानते हैं कि आत्मसंस्कार के लिए थोड़ी-बहुत मानसिक स्वतंत्रता परमावश्यक है-चाहे उस स्वतंत्रता में अभिमान और नम्रता दोनों का मेल हो। यह बात तो निश्चित है कि जो मनुष्य मर्यादापूर्वक जीवन व्यतीत करना चाहता है, उसके लिए वह गुण अनिवार्य है, जिससे आत्मनिर्भरता आती है और जिससे अपने पैरों के बल खड़ा होना आता है। युवा को यह सदा स्मरण रखना चाहिए कि वह बहुत कम बातें जानता है, अपने ही आदर्श से वह बहुत नीचे है और उसकी आकांक्षाएँ उसकी योग्यता से कहीं बढ़ी हुई हैं। उसे इस बात का ध्यान रखना चाहिए कि वह अपने बड़ों का सम्मान करे, छोटों और बराबर वालों से कोमलता का व्यवहार करे, ये बातें आत्ममर्यादा के लिए आवश्यक हैं।
